Dear Mr. *Harry* Seraydarian:

BKK DISPOSAL FACILITY, WEST COVINA

I am in receipt of your letter of August 25, 1983, pursuant to Section 3008 of RCRA, that EPA has found the subject facility to be in violation of Interim Status requirements.

We are currently working with staff of the Regional Water Quality Control Board and your agency in order to identify the deficiencies at this facility, and develop an appropriate corrective action for each. Your office will be sent a copy of our draft notice to the facility operator shortly.

Please let me know if you should have any further questions.

Sincerely,
